

Add User Balance

You can use this option to add amount to a user's balance.

Enter the **email address** to which you want to add balance to.

In the **narration** field, you can enter the any description.

If you select that the amount is NOT for publisher account (select radio button NO) then that amount can only be used to purchase ads on the website. This is good to give balance to advertisers to purchase ads in the system.

If you select that the amount is for publisher account (select radio button YES) then publisher can withdraw this amount to his personal use. This is usually used to revert any accounting mistake.
