The screenshot shows a web-based email composition interface. At the top, a blue header bar contains the text "Send an Email" and a right-pointing arrow icon. Below this, a light blue bar contains the text "Email Body : *" and another right-pointing arrow icon. The main content area has a red instruction: "Use [FIRSTNAME], [LASTNAME] where you want to display member names." Below the instruction is a rich text editor toolbar with various icons for text formatting (bold, italic, underline, text color, background color), alignment, and other functions. Below the toolbar, the email body text is visible: "Dear [FIRSTNAME] [LASTNAME],
We are announcing the launch of price comparison script new version." Below the email body, another blue header bar contains the text "Send to Categories : *" and a right-pointing arrow icon. Underneath this bar is a scrollable list box containing the following categories: "Cameras", "Electronics", and "Home and Garden". At the bottom right of the interface, there are three icons: a green circular refresh icon, an envelope icon labeled "email", and a red circular close icon labeled "Close".

You can select those categories where you want to send the newsletter email to. All members subscribed to those categories will receive this email.
